EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Oliver Olson on August 13, 2004.

The application has been amended as follows:

In Claim 13:

Delete lines 9-14 and insert the following:

--d) securing means integrally connecting said cabinet and said towel rod support members together and configured to enable movement of said at least one towel support rod through said open front side of the cabinet between a position retracted within the cabinet and a position extended forwardly of said open front side of the cabinet while maintaining the at least one towel support rod adjacent the upper end of the cabinet,

wherein the securing means comprises pivot means interengaging the support members and cabinet adjacent the bottom end of the support members for moving said at least one towel support rod arcuately through said open front side of the cabinet between said retracted and extended positions--.

In Claim 14:

In line 1, change "claim 12" to --claim 13--.
